// AuthentiQuest is a quick and simple system for DBS checks. The software runs smoothly and some DBS checks have cleared the day after submission which really helps our recruitment process to be efficient.

Sam Cadwallader, Finance Assistant, The Streetly Academy

What our clients say

South Western Ambulance Service NHS Foundation Trust

AuthentiQuest has enabled us to significantly reduce the turnaround times of DBS checks for our employees.

Very easy to use and has significantly improved our DBS screening process.

The Team are always also very efficient helping to respond and resolve any queries we have.

Kate Thomas, HR Services Manager

States of Guernsey

The States of Guernsey uses the AuthentiQuest system to process DBS checks, where required, for our employees and volunteers.

The system has enabled us to significantly reduce the turnaround times of the checks as it is very intuitive, and can be customised to suit organisational needs and is automatically updated with the DBS result.

AuthentiQuest is also very user friendly and has allowed us to simplify the screening process for the applicants and the recruitment team.
